Dear Parents/Carers,

We have a fantastic opportunity for pupils to attend Barnstondale Activity Centre on the Wirral between the 13th July to July 15th 2022. Pupils will be able to stay for 1 night each from the Wednesday to Friday. **The total cost of the Residential would be roughly £100.00 (but this could change slightly)** for the 1 night, this would break down as £55.00 per person for food and accommodation and 1 and 1/2 days of activities costing £45.00.

The intended learning outcomes of the residential would be to improve communication, team work and self-help skills through outdoor and adventure activities. Activities could include: climbing & abseiling, wildwood experience, archery, night line, stream crossing, search & rescue, orienteering, cannon ball run, black hole (abseil), indoor obstacle course and team building games. The center will work with us to provide a personalized program of challenging yet achievable activities, which will be both fun and rewarding for all the pupils.

I am sure you will agree this offers extremely good value and a wonderful enrichment opportunity. If you are in receipt of the relevant benefit, then you may be entitled to a reduction on price. Please enquire with school if you are entitled to this reduction.

Please complete and return the interest form by Monday 21st March 2022.

Please do not hesitate to contact me if you wish to discuss anything further.

Yours sincerely

I am / am not interested in my son/daughter attending the residential for 1 night to Barnstondale between the dates of Wednesday 13th July to Friday 15th July 2022.

If you are interested in your son/daughter attending the residential for 1 night on these dates please could you comment on the reasons for this e.g.? cost, duration of visit, length of time available to pay, whether your child does not wish to stay away overnight, or whether you may be interested in day time activities only (within school time - 9am to 3pm) etc. if your child is interested in the daytime activities you may need to transport them to and from Barnstondale.

Thank you

Mr. Stubbs
