

# Semi Formal Science Knowledge Organiser Summer 2024

\* Recognise the science based roles that people can have that help us.

\*Learn names of body parts (link to medical staff).

\*Learn about the importance of caring for our teeth (link to dentists).

\*Learn about what plants need to grow - especially in large quantities (link to farming).

\*Learn what animals need to survive (link to zoo keepers, animal trainers and vets).
