

## Accreditation Information 2023-2024

### Qualifications

#### **Functional Skills (FS)**

One Year 13 pupil was entered for English- Reading, Writing and Speaking & Listening. That pupil achieved passes at Level 1 for all 3. Level 1 Functional Skills is equivalent to GCSE grades 3,2,1 (old D,E,F,G)

Other pupils in the cohort were not entered this year for several reasons-

1. The focus was on pupils who had not already achieved FS and pupils leaving this school year.
2. Other pupils in the cohort not working at FS level so not able to achieve a pass.

**Entry Level Certificates (ELC)** are delivered in English and Maths, at three levels- Bronze (Entry Level 1), Silver (Entry Level 2) and Gold (Entry Level 3)
