Dear Parents/Carers

On Wednesday 22.04.26 we will be **PRACTISING a LOCKDOWN DRILL.**

As a school we need to help our pupils understand what might be expected of them if the school must go into Lockdown.

Staff have practiced Lockdown & we have tried to anticipate issues, but we will not be able to plan or control every eventuality.

We have recently improved our security on the front door as part of our response. We have it in our curriculum and we also wish to alert you as partners as to what to expect.

Below is an example of what you may receive from school, in an actual lockdown:

Dear Parents/Carers

Confidential & Personal

The school is in Full Lockdown situation to keep children safe. All the doors are locked and the emergency services have been informed.

Currently nobody is allowed in or out of the school. Please do not ring the school for further information.

Please do not arrive at school until we have notified you it is appropriate to do so. We will make further statements by Dojo and by the school's website

Yours Sincerely

*Paula Wareing
Head Teacher*

We're working
towards Artsmark
Awarded by Arts
Council England

We do not wish to alarm pupils or yourselves to what hopefully might not happen but have a 'Duty of Care' to help to prepare pupils, staff and you.

Please let me know if you have any comments.
