Tuesday 30th June 2020

Dear parents/carers,

Summer Club 2020

This year, subject to funding and COVID-19 restrictions, we will be running a Summer Club at Meadowside School from Monday 20th July to Friday 31st July inclusive. This means that your child will have the possibility of a maximum of 10 days at Summer Club over the two week period, dependent on availability. The offer of places will, as has been the case at school during lockdown, be based on a risk assessment and your child will only be offered a place on the Summer Activity Scheme if it is safe to do so in the current climate of COVID-19 and social distancing restrictions. We are not able to offer a place to any child who has received a 'shielding letter or instructions' as 'shielding' arrangements extend to 31st July 2020.

Please be aware that there will be NO off site visits while the Summer Club takes place and there will only be on-site activities which will include :- Music, sports including swimming, indoor and outdoor games, cooking/baking, model-making, Wii, ICT, arts and crafts, yoga, relaxation and cinema time (on big screen TV).

To request a place for your child to attend please complete and return the form or contact school . We will look at all the requests for places received , and offer as many of those dates as we can depending on safety and availability. Please take note of specific dates offered to your child as we cannot accept pupils who are not registered to be at the venue on the day.

Each session runs from 9am to 3pm and will cost £15 (subject to the funding we are offered). Once dates have been finalised and non-refundable payment received we will expect your child on the dates indicated.

Thank you for your cooperation. If you would like any more information do not hesitate to contact me at school.

Yours sincerely,

Mr Stubbs (Summer Activity Scheme coordinator)
